Allison's Parking Lot Maintenance is a locally owned business located in Chester County. **(see our website for a full list of services @ www.allisonplm.com).**

Our sweeping service can provide you with any frequency of service you may need from one (1) cleaning per month to (7) nights per week. Our full service sweeping includes; power sweeping of parking lots, cleaning and blowing of sidewalks and the emptying of trash cans and replacing their liners. Loading dock services are also available. Our pricing is extremely competitive and our equipment is "State of the Art".

We currently cover South Eastern Pennsylvania, which includes Chester, Montgomery and Delaware Counties and we also cover the Northern part of the state of Delaware.

We are a fully insured company; therefore, we are able to provide you with the proper certificates required.

Special Offer for 2010

1. If you were to sign a one (1) year contract for two or more sites at a cleaning rate of three nights per week we will provide you with a fourth (4) night per week free.
2. If you were to sign a two (2) year contract for two or more sites at a cleaning rate of five (5) nights per week, we will provide you a sixth (6) and seventh (7) night per week free.

Please look at our website for a complete line of our services. These services can be provided to you at any time.
